

## DISSERTATIONS AND THESES using MIDUS DATA

6/13/2018

Dissertations:	138
Master's theses:	<u>34</u>
<b>Total:</b>	<b>172</b>

- Ahrens, C. J. C. (2008). *Role combinations, role trajectories, and physical health: Findings from a national longitudinal study of Americans*. (Doctoral dissertation). The University of Wisconsin - Madison. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3367302)
- Allen, J. C. (2015). *Health effects from the ratio of social processes in older widowed adults*. (Master's thesis). Oklahoma State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10139439)
- An, J. S. (2002). *Psychological well-being in mid to late adulthood: Parent-child relationships across the lifespan and generativity development*. (Doctoral dissertation). University of Missouri - Columbia. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3074369)
- Andersson, M. A. (2014). *Expecting good things and feeling good: A sociological approach to health inequalities*. (Doctoral dissertation). The University of Iowa. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3638344)
- Ball, S. C. (2012). *The effect of marital status and caregiving responsibilities on the well-being of grandfathers raising their grandchildren*. (Doctoral dissertation). University of Arkansas for Medical Sciences. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3511498)
- Banks, S. R. (2009). *Event-specific control, salivary cortisol, and the daily stress process*. (Doctoral dissertation). The Pennsylvania State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3399625)
- Barber, K. R. (2004). *The role of chronic illness, perceived control, social support, and healthcare discrimination in mental wellbeing and alternative healthcare*. (Doctoral dissertation). Michigan State University, Lansing. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3158912)
- Beal, M. E. (2013). *Predictive qualities of social characteristics and social integration on altruistic outcomes*. (Master's thesis). California State University, Long Beach. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 1527530)
- Belanger, N. M. S. (2018). *Exploring the bidirectional effects of personality and negative social interactions across adulthood*. (Doctoral Dissertation). West Virginia University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10809574)
- Berwick, A. C. (2013). *Relationships between education, personality, change in personality traits, and the use of mental health services among middle-aged women over a 10-year time span*. (Doctoral dissertation). The University of North Carolina at Charlotte. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3563121)
- Besen, E. T. (2013). *The job demands-control-support model: Understanding the implications of age*. (Doctoral dissertation). Boston College. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3557640)
- Birditt, K. S. (2002). *Age and gender differences in reactions to interpersonal tensions: The daily experience of arguments and the avoidance of arguments*. (Doctoral dissertation). The Pennsylvania State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3076929)
- Blount, S. (2009). *Negative spillover and mental health: An exploration of the moderating effects of sociodemographic factors, family characteristics, socioeconomic resources, and work characteristics*. (Doctoral dissertation). The University of Akron. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3375691)
- Boylan, J. M. (2013). *Psychosocial moderators and neurobiological mediators of inequalities in health*. (Doctoral dissertation). The University of Wisconsin - Madison. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3589959)
- Bradshaw, J. M. (2008). *Genetic influences on social life: Evidence, pathways, and implications for sociological inquiry*. (Doctoral dissertation). The University of Texas at Austin. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3320664)

- Bromell, L. R. (2011). *Neighborhood influences on health among Black and White adults*. (Doctoral dissertation). Duke University. Retrieved from ProQuest Dissertations & Theses Global database
- Brooks, K. P. (2012). *Social experience and physiology: Effects of social relationship qualities on allostatic load*. (Doctoral dissertation). University of California, Los Angeles. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3510479)
- Brown, D. B. (2012). *Effects of distal minority stress on lesbian, gay and bisexual psychological health and context*. (Doctoral dissertation). Fordham University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3544981)
- Brubaker, C. E. (2007). *Doing health, doing gender: Testing a social constructionist view of health and risk behavior engagement*. (Doctoral dissertation). University of Massachusetts Amherst. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3289234)
- Cameron, S. C. (2003). *The meaning of engagement: An exploration of generativity in the domain of politics*. (Master's thesis). Wilfrid Laurier University (Canada). Retrieved from ProQuest Dissertations & Theses Global database (Order No. MQ80875)
- Carry, M. (2010). *"In spite of it all": Resilience, sexual identity acceptance, and disclosure among Black and Latina same-sex attracted women*. (Doctoral dissertation). Emory University, Atlanta, Georgia. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3423046)
- Cates, G. (2017). *The association of childhood adversities and abuse on marital functioning: A longitudinal secondary analysis study*. (Master's thesis). Cornell University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10614985)
- Chandler, A. L. W. (2001). *Parents in middle adulthood: Exposure and reactivity to daily child-related experiences*. (Doctoral dissertation). The University of Arizona. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3016442)
- Chong, A. (2016). *Home and work stress spillover: The roles of social support and positive reappraisals*. (Doctoral dissertation). Kent State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10144929)
- Claffey, S. T. (2006). *Spousal support and distress: The role of perceived fairness and spillover*. (Doctoral dissertation). Kent State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3243917)
- Condeelis, K. L. (2016). *An investigation of the association between cognition and depression with sleep as a mediator among older adults*. (Master's thesis). The University of Alabama. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10162659)
- Connell, L. (2015). *Applications of two-method measurement to explore associations between self-control and physical activity*. (Doctoral dissertation). The Pennsylvania State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10759892)
- Connor, K. J. (2017). *An empirical examination of a well-being engine model*. (Doctoral dissertation). Marquette University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10259886)
- Cotter, K. A. (2008). *No strain, no gain: An application of social cognitive theory to physical activity across the lifespan*. (Doctoral dissertation). Brandeis University, Waltham, MA. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3326023)
- Curhan, K. B. (2009). *Well-being strategies in Japan and the United States: A comparative study of the prevalence and effectiveness of strategies used to make life go well for high school-educated and college-educated midlife adults*. (Doctoral dissertation). Harvard University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3385013)
- Cypers, S. J. (2005). *A daily diary approach to compare the accuracy of depressed and nondepressed participants' estimation of positive and negative mood: A test of the depressive realism hypothesis*. (Doctoral dissertation). University of Southern California. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3196797)
- Danielson, R. A. (2017). *Childhood adversity and successful aging*. (Doctoral dissertation). North Dakota State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10643430)
- Davis, E. N. (2017). *The relationship between daily stress, psychological distress, and personal meaning in adults at midlife*. (Doctoral dissertation). North Carolina State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10708344)

- Davis, W. S. (2015). *Association between psychological trauma from assault in childhood and metabolic syndrome*. (Doctoral dissertation). Walden University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3712238)
- Dawson, R. (2017). *Investigating problematic drinking, stress, and physical health in older adults using daily reported measures*. (Master's thesis). California State University, Fullerton. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10271682)
- Devine, J. K. (2015). *Sleep behavior associations with the cortisol awakening response and health*. (Doctoral dissertation). Brandeis University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3703317)
- Dmitrieva, N. D. (2008). *"Early to bed and early to rise makes a man health": Relationship between sleep patterns and physical health*. (Unpublished master's thesis). Pennsylvania State University, University Park, PA.
- Dmitrieva, N. O. (2011). *A person-centered approach to modeling diurnal cortisol: The importance of differences in age and stressor exposure*. (Doctoral dissertation). The Pennsylvania State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3500945)
- Donoho, C. J. (2012). *Marital quality, gender, and biomarkers of disease risk in the MIDUS cohort*. (Doctoral dissertation). University of Southern California, Los Angeles. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3551475)
- Donoho, C. J. (2012). *Methodological approaches to assessing diurnal cortisol rhythms in epidemiological studies: How many salivary samples are necessary?* (Master's thesis). University of Southern California. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 1529013)
- Einolf, C. J. (2006). *The roots of altruism: A gender and life course perspective*. (Doctoral dissertation). University of Virginia, Ann Arbor. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3235030)
- Elliot, A. J. (2015). *Life course disadvantage and systemic inflammation: The role of psychosocial functioning*. (Doctoral dissertation). University of Rochester. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3703220)
- Ethington, L. L. (2009). *The effects of psychological variables and personality factors on perceived inequity at work*. (Doctoral dissertation). Indiana University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3358912)
- Fehrenbacher, A. E. (2016). *Perceived job insecurity and quality of life: Testing the effect of stress proliferation from work to family life*. (Doctoral dissertation). University of California, Los Angeles. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10118087)
- Felson, J. (2009). *What can we learn from twin studies? A comprehensive evaluation of the equal environments assumption*. (Doctoral dissertation). The Pennsylvania State University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 3501633)
- Fennell, S. J. (2015). *Lifestyle interventions in couples and family therapy: Associations between physical exercise and family relationships*. (Master's thesis). Texas Woman's University. Retrieved from ProQuest Dissertations & Theses Global database (Order No. 10009429)
